We're exploding the "biggest is always best" myth.

We're doing it the only way it can be done. By performance. And that means providing the full spectrum of title insurance needs in the areas we serve every bit as skillfully as the "big guys."

At Mississippi Valley Title Insurance Company, we know our area so well because it's our home. We've lived here all along. So it stands to reason that we have a better working knowledge of the local laws and standards of procedure, and a fuller understanding of the subtle differences we've discovered through years of experience.

And beyond that basic advantage, we have only the most modern electronic data processing equipment, a full staff of dedicated professionals and a tradition of quick, accurate service to boot. In short, we perform with the best of them.

If you need help in the Southeast, we can fill the bill. We may not be the biggest, but we think we're the best.

We're a dark horse. We should be the favorite.

You may think of us as a dark horse when considering trust or pension fund managers. But you couldn't call us a long shot. Ten-to-one, our performance beats your client's manager.

We can demonstrate high return and stability in the management of an Employee Benefit Fund, or for personal investments, for that matter.

All we lack is a well-known name. And that's coming. Insiders already call us the favorite. We invite you to take an insider's look.

Write or call Rex Poole or John Gallaspy of our Trust Division at (601) 327-3700.
